

Yapton CofE Primary School are Gold again!

We are delighted to announce that we, Yapton CofE Primary School, have achieved the School Games Gold Mark Award for the 2025/26 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:
Reaching two West Sussex county finals in both Tri-Golf and Girl's Cricket.

Attending SEN festivals including Boccia and New Age Kurling.

Girls sport participation growth with increased involvement across football, cricket and athletics, representing the school at local competitions.

A curriculum redesign matching the schools values with the aim to improve engagement and activity levels.

Leadership development for Sports leaders to support lunchtime activities and help run clubs/competitions.

Improving our community sports partnerships, we have linked with Sussex Cricket to provide both class and after school sessions.

A celebration of personal achievements, we have recognised individual progress in skill development and confidence not just competition outcomes.

With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to:
Mr Coyle, Mrs Martin and Mr Cox
